

17 Green Wedding Ideas for an Eco-Friendly Celebration

Your wedding is meant to be the greatest day of your life, but with tossed paper goods, excess food thrown away, and leftover flowers dumped in the garbage, it can also be one of the most wasteful.

We're not saying you should skip the party or forgo those gorgeous details, but if you're eco-conscious and want to reduce your event's effect on the environment, there are plenty of small changes you can make that will have a major impact.
